COLLEGE OF ALLIED HEALTH SCIENCES

Affiliated to Kerala University of Health Sciences and approved by Govt. of Kerala

ALUMNI ACTIVITIES - ACADEMIC EXCELLENCE REPORT

In 2022, the Alumni Association of KMCT College of Allied Health Sciences (KMCT CAHS) took a significant step in recognizing and promoting academic excellence by sponsoring the Excellence Award. This prestigious award was introduced to honour the best academic performers of the college, aiming to inspire current students to strive for high standards in their professional education.

The award ceremony was a memorable event, marked by the proud presence of the esteemed Alumni Committee. Their participation underscored the continued involvement and support of former students in the growth and success of their alma mater. The alumni's commitment to academic excellence and student motivation was evident in their thoughtful gesture of sponsoring the award.

The highlight of the event was the award presentation by the Principal, Prof. Dr. Santheep S, who handed over the prizes to the deserving students with immense pride and admiration. In his address, Dr. Santheep S praised the students for their hard work and dedication, while also expressing deep appreciation to the alumni for fostering a culture of achievement and encouragement within the college.

This initiative not only celebrated individual student accomplishments but also reinforced the strong bond between KMCT CAHS and its alumni community. The Excellence Award now stands as a symbol of the alumni's commitment to nurturing future healthcare professionals and their continuous effort to uplift the standards of education and performance within the institution. It serves as a lasting motivation for students to pursue academic brilliance and uphold the values of the college in their professional journey.
