## COLLEGE OF ALLIED HEALTH SCIENCES

Affiliated to Kerala University of Health Sciences and approved by Govt. of Kerala

### ALUMNI ASSOCIATION ACTIVITIES

The alumni of KMCT College of Allied Health Sciences organized a compassionate and impactful outreach program at the Kerala Federation of the Blind Home for Destitute Blind, located in Keezhuparamba. This initiative was a heartfelt effort to support and uplift the visually impaired elderly residents of the home. Understanding the daily challenges faced by these individuals, the alumni team distributed white canes to enhance their mobility, independence, and safety.

The event began with a warm welcome from the staff, followed by interactive sessions where the alumni engaged with the residents, listened to their stories, and shared words of encouragement. The white canes were handed over with respect and care, symbolizing a gesture

of empowerment and inclusion. The residents expressed deep gratitude, and their smiles and blessings made the event truly fulfilling.

This initiative was not just a donation drive, but a moment of meaningful human connection and empathy. It reflected the strong values instilled by the institution, reminding the alumni of their responsibility to contribute to society. The event concluded with a group interaction, where alumni and residents exchanged heartfelt messages. The activity served as a reminder of the importance of compassion and highlighted the alumni's ongoing commitment to social welfare and inclusive care.
