ALUMNI ASSOCIATION ACTIVITY

The Alumni Association of KMCT College of Allied Health Sciences (KMCT CAHS) continues to uphold its tradition of contributing meaningfully to the institution's growth and student welfare. In a recent act of generosity and community spirit, the alumni association donated a wheelchair to the college, enhancing its healthcare infrastructure and accessibility support for students, patients, and visitors alike.

This thoughtful gesture reflects the alumni's enduring bond with their alma mater and their commitment to giving back in ways that directly benefit the campus community. The wheelchair is now recognized as a valuable asset of the college, symbolizing the alumni's dedication to improving facilities and promoting inclusive care within the academic environment.

The donation was formally received by the Principal, Prof. Dr. Santheep S, in a heartfelt ceremony held on campus. Expressing his sincere gratitude, Dr. Santheep acknowledged the alumni's continued support and involvement in the college's development. He highlighted that such contributions reinforce the values of compassion, service, and unity that KMCT strives to instill in all its students.

This initiative not only enhances practical support for those in need on campus but also serves as a reminder of the strong and lasting connection between KMCT CAHS and its alumni network.
