### REPORT OF ALUMNI ASSOCIATION ACTIVITIES 2024

The Alumni Association of KMCT College of Allied Health Sciences (CAHS) showcased their dedication to community development and education by donating a comprehensive children's kit to Pradeeksha School in Mukkam. This thoughtful initiative aimed to support the educational and developmental needs of the students, particularly those from underprivileged backgrounds. The kit included essential learning materials such as notebooks, stationery, art supplies, hygiene products, and age-appropriate educational tools, carefully curated to aid the academic and personal growth of the children.

The donation event was conducted in a warm and interactive setting, where alumni members engaged with the students and school staff. The school authorities expressed heartfelt gratitude, emphasizing how such gestures positively impact the learning environment and encourage students to pursue their studies with enthusiasm. For the alumni, it was a moment of

pride and fulfilment to give back to society and contribute to shaping a brighter future for young learners.

This initiative highlighted the alumni association's ongoing commitment to social responsibility and its role in fostering positive change beyond the campus. By extending their support to Pradeeksha School, the CAHS alumni not only provided material assistance but also delivered a strong message of hope, encouragement, and the lasting value of community engagement.
