REPORT ON DONATING BIRIYANI TO OLD AGE HOME

In 2021, the Alumni Association of KMCT College of Allied Health Sciences (KMCT CAHS) organized a heartfelt charitable initiative by donating biriyani meals to the residents of the Mukkam Blind Federation – Home for Destitute Blind, a unit under the Kerala Federation of the Blind. This thoughtful act of kindness was made possible through the generous financial contributions of the alumni, who continue to uphold the values of compassion and social responsibility instilled during their time at KMCT CAHS.

The program was a collaborative effort, held in the gracious presence of Principal Prof. Dr. Santheep S, along with staff members and enthusiastic student volunteers. Their collective involvement made the event truly meaningful and impactful. The alumni's donation not only brought joy and comfort to the residents of the home but also served as a valuable lesson in empathy and service for the students who participated.

Principal Dr. Santheep expressed his heartfelt gratitude to the alumni for their continued support and dedication to social causes. He emphasized the importance of such initiatives in building a socially conscious student community that values giving back to society.

The event was a testament to the strong bond between the alumni and the institution, and to their shared commitment to making a positive difference in the lives of others. By reaching out to a marginalized community, the Alumni Association once again demonstrated its role not just as a network of past graduates, but as a force for meaningful social impact.
